Okay. I'll let the team know. It'll be back to the drawing board. We may very well need to take you up on a 3:30 PM Thursday call. Stay tuned.

On yesterday's Oregon CZARA check-in, we tried to figure out a good time for a manager's call. Looking at everyone's schedule, we settled on this Thursday at 11:30am EDT. You were booked for a call with Jayne Carlin to discuss Alaska PPA/PPG stuff—Jayne and Dave Croxton don't think they're quite ready to discuss that with you, so they're taking advantage of this time that's already blocked out on your calendar, as it's good for Joelle and the other managers, too.

So I just wanted you to be aware of that calendar adjustment come Thursday morning.

Hope things are going well in Florida with the pre-move.

Lynda,

This came up on our Oregon CZARA call today. Stephen Sweeney sent a note to the DOJ attorney lead for the Oregon settlement agreement and already heard back from him. See the attached Outlook message.
